TA4

- Updates on the development and harmonisation of Minimum Information standards about Chemical Investigations (MICHl)
- Updates on the reference implementation of conversion, extraction and validation libraries
- Reduced team size in 2nd phase: provide support in harmonization instead of overlooking the whole process.

TA5

- Publications in CHEManager, RSC-CICAG June Newsletter, [Digital Discovery](#), [SN Computer Science](#)
- Outreach on 4 conferences
- New workshop format: “Publishing Chemical Data: Meet the Repositories”
- DiP FDM-Training & 3 Chemotion workshops
- 3x Stammtisch
- Newsletter: 2nd & 3rd issue published

TA6

- New CHMO release ([v2026-05-28](#))
- TF Evaluation & Reporting [new charter version published](#)
- 5th Ontologies4Chem Workshop (2.-6.11.26) [Call for Contributions](#) live
- Contributed to release of first NFDI Standard (re3data recommendation) by section Metadata
- Editors4Chem 3.5 → continued MoU

Upcoming events/meetings

- 07.07. Second MS MICHl workshop
- 12. - 16.07. in Antwerp [EuChemS Chemistry Congress](#)
- 22. - 24.07. in Aachen Large technical InChI meeting
- 05. - 06.08. in Würzburg Chemotion & LabImotion ELN Hands-on Workshop
- 02. - 06.11. in Limburg [Ontologies4Chem workshop](#)

Chemotion ELN Q&A session: quarterly on Thursday (3 pm - 4 pm)

Stammtisch: last Friday of every month (2 pm - 3 pm), Summerbreak, next: 25.09.
